

Creating space for imaginations to grow.

## Creating space for imaginations to grow.

### Our Philosophy

Tanseisha aims to contribute to the enrichment of society and people's lives by creating better spaces.

### Our Vision

Together with our customers, our employees and society, we will continue to create space for imaginations to grow.

### Area of Operations

Spaces for social interaction between people, people and things, and people and information.

丹青不知老將至  
富貴於我如浮雲

### Derivation of Tansei

“丹青 (Tansei),” a term originating from China, consists of 2 basic colors - red and blue - and denotes “an abundance of color.” This word also broadly refers to painting, painters and painted artwork. Dedicated to artistic creation, Tanseisha invests its enthusiasm and creativity in creating rich, comfortable spaces in each and every project.

President and Chief Executive Officer

TAKAHASHI Takashi

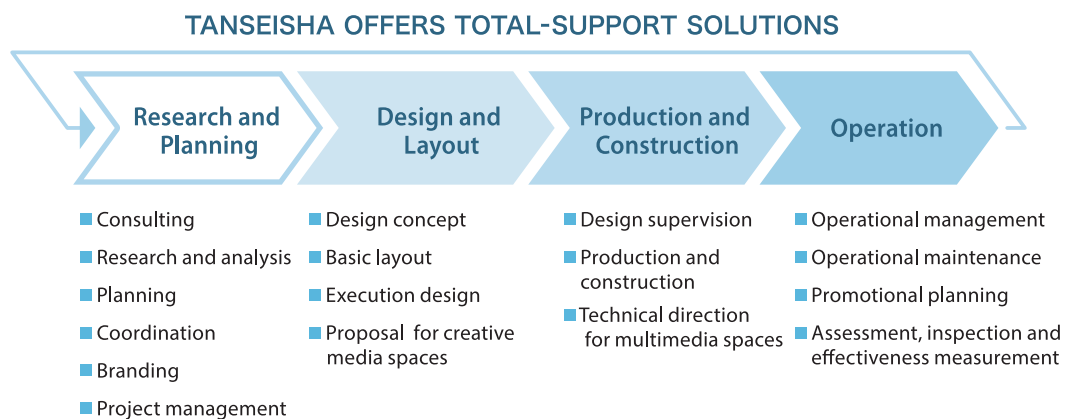

# Your story. Our solution. One space.

## Business categories

## Lineup of services

Tanseisha offers total-support solutions, from research and planning to design and layout, production and construction, and operation. We can also help promote projects with one-stop solutions tailored to clients' needs.

## COMMERCIAL SPACES

Large commercial facilities, retail stores, restaurants, chain store expansion, regional brand facilities, entertainment facilities, etc.

We create vibrant and comfortable commercial spaces to build relationships between products, services and customers. We harness a wealth of accomplishments to support chain store expansion, while bringing creative concepts in entertainment facilities to life with a wide range of staging technology.

**SEIKO DREAM SQUARE** Display Planning, Design, Construction, Project Management  
Client: Seiko Watch Corporation | KUKAN DESIGN AWARD 2019

## CULTURAL SPACES

Museums, archives, science museums, art galleries, corporate museums environment, disaster, child experience-learning facilities, eco-museums, etc.

We create crossover "knowledge" spaces by introducing fun and exciting elements to experience. Building on past know-how, we provide specialist services tailored to diverse needs in equipment and facilities, along with practical expertise and operations.

**The Main Building of the Hiroshima Peace Memorial Museum** Research, Facility Concept Planning, Display Planning, Design, Construction, Consulting, Project Management, Website Creation, Booklet Production | Client: The City of Hiroshima

## PUBLIC SPACES Airports, service areas, schools, smoking spaces, etc.

We create spaces which strive for people-friendly design and comfort from the perspective of the many different people that gather in a space.  
From effective utilization to a high-dimension functional mix,  
we offer solutions for a wide range of spaces customized to the characteristics of each facility.

**Naha Airport Internal connecting terminal facilities** Commercial Planning, Environmental Design Planning,  
Design & Construction of Food court, Directly managed store and Production of introduced area, Construction Administration  
Client: NAHA AIRPORT BUILDING CO.,LTD.

## BUSINESS SPACES Showrooms, offices, etc.

We create venues for shaping the identities of companies and services, and transmitting messages utilizing various communication techniques. In terms of showrooms and PR facilities,  
we create spaces which embody companies' "identities". In office workplaces,  
we design spaces which provide tranquility while stimulating the creativity of knowledge workers.

**FUJITSU LABORATORIES OKADA MEMORIAL LIBRARY** Design, Construction  
Client: FUJITSU LABORATORIES LTD. | Total Direction, Planning, Video Content Design & Production : FUJITSU DESIGN LIMITED
